NO OBJECTION CERTIFICATE

CASE No:67/08 (HY:963/07) BLOCK: A 01 (17 25 58.91N 78 38 29.29E)

1. Please refer to your letter No: Dated on the subject noted above.
2. This office has no objection to the construction of the proposed construction by A.P Rajiv Swagruha Corporation Limited, hereinafter referred to as the applicant(s), at Sy. No:35/2, Pocharam Village, Ghatkeser Municipality to a height of (in figure) **43m** (in words) **Four Three meter** above ground level so that top of the proposed structure when erected shall not exceed 489m (Site elevation) Plus (+) 43m (Height of the structure) = **532m AMSL**.
3. This No Objection Certificate is being issued on the express understanding that site elevation reduced level (height above mean sea level) viz 489m relative location of the proposed building / structure and its distance and bearing the ARP / Runway ends as tendered by the applicant(s) are correct. If, however, at any stage it is established that the said data as tendered by the said applicant is actually different that the one tendered, and which could adversely affect aircraft operations, the structure or part(s) thereof in respect of which this "No Objection Certificate" is being issued will have to be demolished at his own cost as may be directed by the Airports Authority of India. The applicant(s) is / are, therefore advised in his / their own interest to verify the elevation and other data furnished for the site before embarking on the proposed construction.
4. The issue of the "No Objection Certificate" is further subject to the provisions of Section 9A of the Indian Aircraft Act, 1934, and those of any notification issued thereunder from time to time and under which also the applicant may be called upon by the Airports Authority of India to demolish in whole or in part the structure now being authorised vide this "No Objection Certificate".
5. No Radio / TV Antenna, Lightening Arresters, Staircase, Mumtee, Overhead Water Tank and attachment and Fixtures of any kind shall project above the height indicated in Para 2 above.
6. The **use of electric fire or oil fired is obligatory, within 8 Km** of the Aerodrome.
7. This certificate, is valid for a period of **3(three) years** from the date of issue if the building / structure / chimney is not constructed and completed within the above mentioned period of **3 (three) years** he will be required to obtain **fresh** "No Objection Certificate" from the Chairman, Airports Authority of India and or the General Manager (Aerodromes), Airports Authority of India, Southern Region, Chennai Airport, Chennai - 600027. The date of completion of building / structure / Chimney should be intimated to the General Manager (Aero-SR), AAI, Chennai Airport, Chennai.
8. No light or a combination of lights which by reason of its intensity, configuration of colour may cause confusion with the aeronautical ground lights of the Airport shall be installed at the site at any time during or after the construction of the building.
9. This certificate is application only for the purposes of clearance from the angles of in safety and for **height clearance only**. This issue of NOC is with the approval of Competent Authority. **Day and night markings with secondary power supply shall be provided as per ICAO standard.**

3. This No Objection Certificate is being issued on the express understanding that site elevation reduced level (height above mean sea level) viz 482m relative location of the proposed building / structure and its distance and bearing the ARP / Runway ends as tendered by the applicant(s) are correct. If, however, at any stage it is established that the said data as tendered by the said applicant is actually different that the one tendered, and which could adversely affect aircraft operations, the structure or part(s) thereof in respect of which this "No Objection Certificate" is being issued will have to be demolished at his own cost as may be directed by the Airports Authority of India. The applicant(s) is / are, therefore advised in his / their own interest to verify the elevation and other data furnished for the site before embarking on the proposed construction.
4. The issue of the "No Objection Certificate" is further subject to the provisions of Section 9A of the Indian Aircraft Act, 1934, and those of any notification issued thereunder from time to time and under which also the applicant may be called upon by the Airports Authority of India to demolish in whole or in part the structure now being authorised vide this "No Objection Certificate".
5. No Radio / TV Antenna, Lightening Arresters, Staircase, Mumtee, Overhead Water Tank and attachment and Fixtures of any kind shall project above the height indicated in Para 2 above.
6. The **use of electric fire or oil fired is obligatory, within 8 Km** of the Aerodrome.
7. This certificate, is valid for a period of **3(three) years** from the date of issue if the building / structure / chimney is not constructed and completed within the above mentioned period of **3 (three) years** he will be required to obtain **fresh** "No Objection Certificate" from the Chairman, Airports Authority of India and or the General Manager (Aerodromes), Airports Authority of India, Southern Region, Chennai Airport, Chennai - 600027. The date of completion of building / structure / Chimney should be intimated to the General Manager (Aero-SR), AAI, Chennai Airport, Chennai.
8. No light or a combination of lights which by reason of its intensity, configuration of colour may cause confusion with the aeronautical ground lights of the Airport shall be installed at the site at any time during or after the construction of the building.
9. This certificate is application only for the purposes of clearance from the angles of in safety and for **height clearance only**. This issue of NOC is with the approval of Competent Authority. **Day and night markings with secondary power supply shall be provided as per ICAO standard.**
